VENUE: CEAT Building

PROJECT/ACTIVITY HOLDER: CEAT students 
BENEFICIARY: Brgy. Tua, Magallanes, Cavite

TYPE OF PROJECT: Orientation 
TOTAL ACTIVITY COST: c/o MEE Students

ACTIVITY DESCRIPTION AND OBJECTIVES

The College of Engineering and Technology (CEAT) and the Lasallian Community Development Center (LCDC) decided to collaborate for the implementation of outreach program activities and projects in Barangay Tua in Magallanes, Cavite.

Apparently, some of the faculty of the said College encouraged their students to conduct research works and other outreach programs/projects that based on the assessed needs of the community.

The said orientation aims to give information and other data regarding the said community, as well as the Standard Operating Procedures (SOP’s) in conducting community work.

SUMMARY:

1. The said orientation started at 2:30 p.m.
2. Attendance:
   A. CEAT
      a.1. CEAT Students (3 classes/Batches)
      a.2. CEAT Faculty
         a.2.1. Arch. Scissel Naing
         a.2.2. Arch. Antonio Gutierrez
         a.2.3. Ms. Mary Grace Virata
   B. LCDC Faculty:
      b.1. Ms. Iris Andaya
      b.2. Ms. Jeannifer Claveria
3. Process:
   1. Ms. Andaya was the one who gave the orientation. She was able to discuss the following:
      1.1. Background of Barangay TUA, particularly the TUA Elementary School
      1.2. Do’s and Don’t’s in community work (General Rule)
      1.3. Responsibilities of the faculty
      1.4. Things to bring or prepare
      1.5. Date/ Time and assembly area of the target visit.
   2. The activity adjourned at 3:30 p.m.
INSIGHTS/ LESSONS LEARNED:

- Punctually of students.
- There was a sign of positive response coming from the group.
- The flow of discussion was very light to handle.
