**ACTIVITY DESCRIPTION AND OBJECTIVES**

As part of the partnership forged with Barangay Tua in Magallanes, the College of Engineering and Technology (CEAT) and the Lasallian Community Development Center (LCDC) conducted initial measurements and surveys to get needed data for the master plan of the Hall, Day Care Center, Health Center and the elementary school of the said Barangay.

**SUMMARY:**

1. Attendance – See attendance Sheet (Last page of this report)
2. The group arrived in the area at 8:30 a.m.
3. Coutesy call in the Brgy. was done by the group followed by the division of work.
   3.1. Group 1 : Brgy. Hall, Day Care Center and Health Center
   3.2. Group 2 : TUA Elementary School
4. Each group was given enough time to do their assigned tasks.
5. Arch. Gutierrez interviewed some of the teachers of the said school, particularly the head teacher.
6. Ms. Claveria was able to meet the sub- contractor (Mega White) of the new TES building, as well as signing of turn-over contract.
7. Ms. Andaya handled the processing activity of the group.
8. The group left the area at 11:30 a.m.

**INSIGHTS/ LESSONS LEARNED:**

1. Itenerary was being followed religiously by Arch. Gutierrez and the students.
2. The heart warming welcome of the community people of Brgy. Tua.
3. The effort of the Brgy. chairman in monitoring and assisting the group in the said visit (the Brgy. Chairman was in a meeting).
4. The full support of the councils in assisting each groups in their assigned tasks.
5. The support and accommodation of the teachers to the group.

**For Improvement:**

1. The van that was being rented/used is not DLSU-D accredited.
   1.1. To avoid such incident, students should have coordinated in advance to the reservations office.
   1.2. Some of the driver/s did not know the Standard Operating Procedures (SOP) in conducting exposure trips.
      1.2.1. There was one driver who just left the group with out prior notice with any of the faculty members (CR break).
      1.2.2. Condition of the van during travel time.
         1.2.2.1. We experienced flat tier during travel (crossing Mendez area).
         1.2.2.1.1. The driver/s should see to it that their van is in good condition before travel time.
