## **NO WORK AND CLASSES ON FEBRUARY 25, 2026**

### ***IN COMMEMORATION OF THE 40<sup>TH</sup> ANNIVERSARY OF THE EDSA REVOLUTION***

This year, our nation marks the 40th Anniversary of the EDSA People Power Revolution, a significant moment in Philippine history that continues to shape who we are as a people and as a nation.

In keeping with our mission as a Lasallian university committed to social responsibility, historical awareness, and the formation of engaged citizens, De La Salle University–Dasmariñas will observe February 25, 2026, as a special day of commemoration.

On this day, work operations will be suspended, and classes will not be held. This is meant to give our community the time and space to pause, remember, and reflect on the meaning of EDSA and what it continues to ask of us today.

Forty years after the events of 1986, our country has made important strides in its democratic journey. At the same time, we are reminded that many of the challenges our people faced then persist today. Remembering EDSA invites us to look honestly at where we are today and how we choose to live out the freedoms that were won for us.

The University encourages offices, departments, and organizations to organize meaningful, peaceful, and reflective activities leading up to this date.

As a Lasallian community, may this day renew our commitment to live out our core values of faith, zeal for service, and communion in mission.
