Tulong Lasalyana

for contractual employees
and other affected individuals

Contractual employees and other members of our institution need assistance to sustain their family's needs amidst the **COVID-19** crisis. Initially, the university, through LCDC, was able to provide assistance to 50 diars personnel, 17 coaches, and 11 student athletes.

Assistance is still needed. We knock on your generous hearts to help our fellow lasallians.

To avoid and minimize the risks of COVID-19 infection, you may give your cash donations through the following:
