RE: **Rescheduled Recollections and Retreats for 2nd Semester, A.Y. 2019-2020**

Peace and Goodwill!

In our commitment to continuously accompany our students in their spiritual journey, even during this time of quarantine, the Campus Ministry Office through its Retreat and Recollection Ministry had developed an alternative means of facilitating recollections and retreats through the school –book platform of the University. All missed recollections and retreats schedules for the 2nd Semester, AY 2019 -2020 will be facilitated on line during the special term.

Hence, I would like to ask for your assistance in informing the students and classes covered by the online recollections and retreat from your respective college and departments, to check their schoolbook for notification starting July 6, 2020 which they have to accomplish until July 24, 2020.

Attached is the list of sections and the respective Campus Minister assigned to facilitate their on-line recollection/retreat.

For questions and inquiries please feel free to message us at DLSU-D Campus Ministry FB Page or at local 3069.

Thank you for your consideration and cooperation!
