Subject: **Lakbay-Maria 2022**

"Lakbay Maria" is the annual Marian devotional practice of the DLSU-D community, set during the Marian month of October as the month of the Holy Rosary, and in celebration of the feast of the titular Patron of our University Chapel, the Our Lady of the Most Holy Rosary, and Our Lady of the Pillar, Patroness of the Diocese of Imus. The goal of this devotional practice is to strengthen the community's appreciation of the role of our Blessed Mother in the history of salvation and our life as a community of disciples following our Lord and Savior Jesus Christ. It also aims to strengthen our Marian devotion so as to see in Mary the model disciple whose life decisively leads us to Christ.

"Lakbay-Maria" consists of welcoming the presence of our Blessed Mother through her image by way of "visitation" to the different units, offices, colleges and departments where the members of the community offer prayers for their particular needs, intentions and concerns. It is also an occasion for the different members of the community to gather together in fellowship and to reflect on Mary's role and example in living the Christian way of life.

The theme for this year's Lakbay Maria is ***"Mary: Joy and Strength of the Synodal Church towards Jesus Christ"***. As the Church is journeying towards the Synod of Bishops 2023, with the vision of growing in the spirit of communion, participation, and mission, we strongly believe that our Blessed Mother, walks with us in order to strengthen us as we journey through this "valley of tears". With Mary, Our Lady of the Pillar, Patroness of the Diocese of Imus, the DLSU-D community is called to walk together as a community of faith and zeal, so that more and more, we shall be led decisively towards Jesus Christ our Lord.

Attached are the inclusive dates of the *"Lakbay-Maria 2022"* and the respective unit/office/department in-charge per day.

May this year's *"Lakbay Maria"* strengthen the DLSU-D community so as to become one heart in worship and action, following the footsteps of our Blessed Mother, "that everything we do in this University be rooted in an experience of God's steadfast love" and "with God's grace and our collective action" and "make an impact that will change the lives of many for a lifetime."
