**47th Commencement Exercises
GRADUATION TOGA**

MEASUREMENT

Candidates for graduation must perform a self-measurement of cap and toga. This must be submitted through designated online form link for each college **from July 29 to August 15, 2022**.

How to get your toga measurement?

1. For cap size, place a measuring tape around your head, one inch (2.5cm) above your eyebrows the down to the top of your ear (see the diagram below). Submit the exact size in **centimeters** only.
2. For the length of your toga, measure from shoulder blade until halfway to your calf. Please use **centimeters** in measuring.
