

Renaming of SSD and CMA

Please be advised that the Social Sciences Department (SSD) is renamed Social Sciences and Humanities Department (SHD). Meanwhile, the Center for Marketing and Admissions (CMA) reverts to its previous name which is the Center for Student Admissions (CSA).

The new names will be used beginning First Semester, School Year 2022-2023. Please take note of the changes in your future communication with the aforementioned offices.

On the other hand, we encourage the use of earlier printed letterheads and collaterals bearing the former names of these offices in our internal communication.
