RE: **Classes and work arrangements for April 29-30**

To preempt any difficulties caused by an imminent nationwide transport strike on April 29 and 30 and the extreme heat conditions, we will shift to Scenario 2 on April 29 and 30.

To summarize, Scenario 2 entails:

College and Graduate School	College ULFO Recollections/ Planned Student Activities	Basic Education	Work
Online synchronous and asynchronous, teachers to inform their classes of the most suitable mode.	Proceed as scheduled. High School students will not be required to attend onsite LMF activities.	Online synchronous	Regular office operations, with considerations to those who will be affected by the strike.

Thank you.
