Director, GSO

**RE : TEMPORARY FREE CAMPUS SHUTTLE**

---

As part of the University's commitment to enhancing transportation services on campus, a school vehicle will be deployed starting this week. This vehicle will follow the Ikot La Salle route, offering free rides to the DLSU-D community.

☐ Operating Hours:

- Morning: 8:00 AM – 10:00 AM
- Afternoon: 3:00 PM – 5:00 PM

This initiative is designed to ease campus vehicle congestion during peak hours. We encourage everyone to take advantage of this temporary free service! (PWD and those with mobility concerns are to be given priority).

Stay safe and travel conveniently around campus!
