DISCLAIMER ON SENIOR HIGH SCHOOL CURRICULUM IMPLEMENTATION

Please be informed that De La Salle University-Dasmariñas Senior High School has applied to be a pilot implementer of the enhanced Senior High School (SHS) curriculum as part of the Department of Education's (DepEd) curriculum reform initiatives. While we are currently awaiting official confirmation from DepEd, enrollment for the incoming school year is already ongoing under the existing SHS curriculum.

Should our application be approved, enrolled students and their parents/guardians will be promptly notified of any changes to the curriculum and given full orientation regarding the revised implementation. Rest assured that any transition will be carried out with careful consideration and support to ensure a smooth learning experience.

Thank you for your understanding and continued trust.
