

## **OVCAR Advisory 046 – Mode of Delivery**

Please see updated Learning Continuity Chart approved in the Academic Council on July 26, 2022.

For modes of delivery:

- NSTP-CWTS shall be blended mode (flex)
- Professional subjects attributed to the College of Education shall be onsite supplement
- Laboratory shall be enriched onsite

Those who are based abroad and/or unvaccinated/not fully vaccinated shall have the following options:

### **OPTION 1**

As a special arrangement, we offer full online class for subject with onsite component, with restructured fees.

Please take note that this arrangement will only be offered for the First Semester. It WILL NOT BE OFFERED any longer for the Second Semester.

### **OPTION 2**

Students may enroll in subjects offered fully online or with onsite supplement (please refer to the updated LCC).

In effect, they may drop enrolled subjects requiring onsite attendance or add other subjects that do not require any prerequisite and are offered fully online.

Everyone is asked to fill out the adding/dropping form for this purpose.

Students, especially first year students, may coordinate with their associate dean/dean for guidance.

Dropping period is extended to 13 September 2022.

### **OPTION 3**

Return to the Philippines and/or get fully vaccinated as required by the government for students participating in F2F. Please consider plotting your flight itinerary in advance to avoid late attendance in classes in F2F mode
