

## Ms. May Anne “Minnie” Montano

Honed by Lasallian Christian education and seasoned with 20 years of experience in youth leadership development, program development, management and implementation, and seven years as Lasallian educator. Ms. Montano’s life is an embodiment of what teaching minds, touching hearts, and transforming lives.

May Anne M. Montano is currently the Manager of Ayala Foundation Inc., Makati City. The foundation is a Program Lead for Ayala Young Leaders Congress (AYLC), Filipino Young Leaders Program (FYLPRO), Youth Leadership and Development Unit (YLDU), and Love of Country (LOC) thematic area.

She holds a valuable role in the foundation since she oversees program management from conceptualization, design, implementation, and reporting. She also manages the team under Youth Leadership and Development Unit including resource management, program design, innovation, and relationship management.

At the same time, she recommends innovation in program design and implementation. She likewise coordinates with different units involved in Ayala Foundation under the LOC thematic area for project implementation.

Her humble beginnings started as an Administrative Assistant for Student Activities, Office for Student Affairs at University of St. La Salle, Bacolod City. This is where she began to serve as primary officer responsible for implementing university programs and policies regarding tertiary student activities. The task involves accrediting, monitoring, and evaluating all activities of student organizations.

Her excellent educational track records include Bachelor of Arts major in Political Science, Cum Laude and Juris Doctor both completed at University of St. La Salle, Bacolod City.
