## May 2024

DLSU-D and the Department of Tourism sealed a memorandum of understanding promoting collaborations between academe and government agencies. Dr. Cristina Salibay, VC for Academics and Research, and Ms. Marites Castro, DOT's Regional Director, signed the MOU witnessed by select administrators and officials of the two organizations. It hopes to bring training programs and internship opportunities to CTHM students.

The De La Salle University – Dasmariñas Campus welcomed the Embassy of Japan last April 30, as the Japan Information and Culture Center join their "Embassy Lecture Series". Attended by about 200 students, the lecture series features various Embassies visiting the University to talk about their unique culture and various programs. The Embassy of Japan discussed Japanese Culture, which focused on Japanese Business etiquette. The Embassy also discussed the Japanese Government Scholarship and conducted a yukata demonstration.

## May 2024

DLSU-D President Francisco de la Rosa VI FSC warmly welcomes Engr. Ariel Iglesia, DILG Region IV-A Director; Police Brigadier General Paul Kenneth Lucas, PNP Region IV-A Director; Jail Chief Superintendent Hilbert Flor, BJMPRO CALABARZON Regional Director of the Jail Bureau; and Fire Chief Superintendent Jaime Ramirez, BFP Region IV-A Director to the multilateral MOU signing for the College of Criminal Justice Education. The understanding highlights scholarship opportunities for DILG personnel and internships for DLSU-D students.

Strengthening partnerships between academe and industry, the London Stock Exchange Laboratory was launched and installed at the Aklatang Emilio Aguinaldo at DLSU-Dasmariñas. CBAA and CSCS IT and CS students will now have the opportunity to gain free access to LSEG's Workspace Platform, which contains financial market data that can be used as a learning resource in select courses offered under the said programs. University administrators, faculty, staff, LSEG officers, and students graced and witnessed the occasion.

## May 2024

The Linkages & Scholarship Office, in partnership with the Museo de la Salle, rolled out its edutourism program. External guests from various schools and organizations experience a glimpse of DLSU-D and a museum tour. This program is part of the resource-generation activity initiated by two offices to support more university scholars.

**DLSU-D Senior High School warmly welcomes Sangju Girls' High School Cultural Exchange students, teachers, and administrators.**

Sangju Girls' High School, located in Sangju-si Gyeongsangbuk-do, South Korea, is an all-girls high school that has been in partnership with DLSU-D SHS since May 2019.

The Student Cultural Exchange Program is one of the unique features of DLSU-D Senior High School, where our students are given an opportunity to learn different cultures to enhance their understanding on how to be a global citizen.

The Linkages and Scholarship Office welcomes our visiting scholar PROF. MARIA JOSE QUINTANA GARCIA from La Salle Centro Universitario - Madrin, Spain. Prof Garcia will hold a series of lectures, service-learning engagements, and academic mobility discussions with the University's Professional Education and Communication programs. Her visit anticipates an increase in the number of activities between DLSU-D and La Salle Madrid in the next academic years.
