Sir / Madam:

Good day!

In compliance with government regulations, the onsite graduation ceremony is suspended until further notice. Currently, the Office is exploring alternative ways to pay tribute to this momentous event. An advisory shall be released towards the end of July.

Rest assured however that the ceremony is not a requirement to earn a degree. Transcript of records shall be made available at least 7 days after application. For BS Biology graduating students' application begins on July 16, 2020, while for other graduating students' application starts on August 16, 2020.

Thank you for your understanding and cooperation.

Respectfully,

PAULINO H. GATPANDAN, DIT(Sgd)
University Registrar
