Subject: **STUDENTS' WEEK ADVISORY - 16 TO 20 OCTOBER 2023**

We are excited to announce the upcoming Students' Week, scheduled from 16 to 20 October 2023. This week-long celebration promises to bring our entire school community together for a memorable and enriching experience.

Opening Ceremonies (Mandatory):

We kick off Students' Week with an opening ceremony on 16 October 2023 from 8:00 a.m. to 12:00 noon. We expect the participation of all students during the opening ceremony.

Invitational Activities:

Various student organizations prepared invitational activities for the week. Student-organizers for the events are excused from their classes and are responsible for informing their teachers.

College Activities Announcement:

For college-specific activities, each dean will release a separate announcement containing detailed information about the activities and any attendance requirements. We strongly encourage the active participation to the college activities, as they offer opportunities for social engagements and valuable interactions.

Faculty Participation:

Faculty members are likewise expected to participate by identifying events that serve as alternative learning activities.

Resumption of Regular Classes:

The Student Week concludes on 20 October 2023 and we are holding regular classes on 21 October 2023.

Students' Week is an opportunity to strengthen our bonds, celebrate our diversity, and create lasting memories. Let's come together, embrace the spirit of this event, and make Students' Week 2023 unforgettable.
