INFORMATION RESOURCE CENTER

MEET OUR SPEAKER

Ryan Salas is a training specialist for Southeast Asia at EBSCO Information Services, where he designs and delivers both online and onsite training sessions for customers across Singapore, Malaysia, the Philippines, Indonesia, and Thailand.

In this role, he works closely with librarians, educators, researchers, and students, to help them maximize the use of EBSCO's wide range of databases, tools, and services, ensuring they are equipped to support their institutions' information needs effectively.
