KONEK Tip!

Newer devices usually have better Wi-Fi connectivity compared to older ones. While users can generally access the Wi-Fi for academic purposes, some websites might be restricted as part of network security.

Coming Very Soon!

KONEK CARAVAN. ICTC will organize an Information, Education, and Communication (IEC) caravan during the second semester to share helpful tech tips with the Lasallian community.

MORE BUILDINGS TO COVER. Phase 2 of the ICTC's Wi-Fi Expansion Project will expand network coverage to more buildings this semester.

REPORTING MADE EASY. Report issues with DLSU-D KONEK by emailing konek@dlsud.edu.ph. Include specific details about problems encountered such as location, time, type of issue encountered.
