

UNIVERSITY HEALTH CLINIC HEALTH ADVISORY

Antimicrobial Resistance

Do

Only take antibiotics prescribed for you.

Ask if your prescribed antibiotics are the preferred first-line treatment.

Prevent infections by washing your hands, and getting vaccinated.

Use antibiotics wisely.

Handle with care.

Don't use antibiotics for common cold, flu and sore throats. They don't treat viruses.

Don't share it with others.

Don't save antibiotics for later.

Make smart choices.

Protect life-saving medicines for everyone.
