

HEALTH ADVISORY

UNIVERSITY HEALTH CLINIC

Health and wellness is one of the top priorities of De La Salle University - Dasmariñas and this is why Health Services is a key component of Campus Life. It is essential to ensure that all of the community's medical needs are met, especially when it comes to emergency services.

MEDICAL SERVICES

- free medical consultation and treatment for students' minor ailments, accidents, and sudden illnesses occurring within the school premises.
- immediate aid to employees' accidents and sudden illnesses or emergency situations occurring within the University premises.
- assessment of the physical fitness of the students to participate in the programs of physical education, athletic competitions/activities that are allowed by the University, pre-military and re-admission to or exclusion from classes or on-the-job training.
- referral of problematic cases to appropriate specialist(s) for continuation of care.

DENTAL SERVICES

- free dental examination for all students.
- discounted filling and oral prophylaxis for all students of DLSU-D.
- discounted oral prophylaxis for all regular employees of DLSU-D.
