

IMPACT OUR FUTURE

"You can perform miracles by touching the hearts of those entrusted to your care."
- St. John Baptist De La Salle

Foster the Value of Generosity

DLSU-D as a premiere educational institution is committed to serve the needs of the Church and Nation by forming and educating future leaders and achievers. Thankfully, the generosity of individuals, companies, and organizations have helped the University to continuously provide excellent, relevant and accessible Lasallian education.

Philanthropic support is one of DLSU-D's key priorities to create possibilities from championing the cause of providing academic scholarships to offering relevant and responsive academic and community service programs. Likewise, to achieve academic excellence, the University diligently pursues innovations in research, and breakthroughs in environment and biodiversity conservation.

By supporting DLSU-D, you are helping us prepare and develop the next generation of Lasallians: God-centered, professionally competent, caring and compassionate stewards of all creations.

"The more loving you are to the young, the greater will be the effects of God's grace."

"The scholarship was a financial relief for my parents. Knowing that college education takes a big share of my family's monthly budget, I felt extra motivated to excel in academics and unload my parents of significant financial expenses. It was a target I aimed for every semester."

BS Human Biology 2012 and Academic Scholar (Summa cum Laude)
