

ALUMNI LEGACY NIGHT

Alumni Legacy Night celebrates the achievements of DLSU-D alumni while supporting the university's scholarship program, fostering connections, and inspiring future Lasallians.

SPREAD ALUMNI Legacy Night: Hapunan para sa Kinabukasan

The SPREAD ALUMNI Legacy Night was organized to raise funds for the DLSU-D scholarship program. The process began with sending out an invitation letter to SPREAD alumni on October 30, 2024, inviting them to the event on December 14, 2024. Alumni were asked to confirm their attendance and either pay Php 1,500 for the dinner or donate by December 1, 2024.

On the event day, guests registered at the entrance. The evening began with welcome drinks and an opening prayer. Dr. Christian George C. Francisco gave the opening remarks, and dinner was served. During the program, scholarship programs were presented, and alumni shared success stories. A fun activity and raffle followed. Alumni also participated in the Message Tree of Hope and SPREAD Gratitude Wall, leaving messages for current scholars and DLSU-D.

The event ended with a Commitment Ceremony, where alumni reaffirmed their support for the scholarship fund. Closing remarks were given, and photo opportunities followed. After the event, thank-you emails were sent to all attendees and donors, sharing the success of the evening.

This process successfully brought alumni together, raised funds, and strengthened the bond with the DLSU-D community.
